Powerloop Empty Trailer Dropoff Location

If a Carrier needs to change the empty trailer drop-off location, due to an upcoming Uber Freight load that requires an empty trailer dropped off, they may make a request by sending an email to powerloop-trailerswaps@uberfreight.com.

Powerloop Empty Trailer Dropoff Time

Carriers are able to request time extensions (up to 3 days) with our trailers for a fee of \$50 a day with the first day being free for hauling other Uber Freight loads.

Cancellations

If a load is cancelled by your carrier, you will be able to rebook the load as long as it's still available. You'll be paid using the same rate as the first booking and will not be allowed to place a bid. If a load is cancelled less than 6 hours from the scheduled pickup, it will be considered a late cancellation and will negatively impact your carrier's reliability score.

A complete, legible, signed and otherwise acceptable copy of the bill of lading (the POD) is required for payment. Please submit the POD within 24 hours after delivery.

Powerloop Trailer Damage

Carrier is required to perform a pre-trip inspection of the condition of the trailer that will note all damage and the condition of safety related items including, but not limited to, tires, lugnuts, brakes, air systems, and sliding tandem hook pins that are observable upon reasonable inspection. If standard maintenance is needed for the Powerloop trailer (ex. missing mudflap, broken lights, electrical issues, tire replacement) please contact FYX Fleet 24/7 roadside assistance at 866-498-9525. This service is not available for the Carrier's power unit. If there is an accident or critical damage to the Powerloop trailer, do not contact the FYX Fleet 24/7 hotline. Please notify your auto liability insurance company and follow their instructions. Please also notify the Uber Freight Inbound Support Line at 844-822-8237. Unless stated otherwise, Powerloop will arrange and coordinate all trailer maintenance and the Carrier is not permitted to perform repairs to the Powerloop trailer.
