HANKOOK TIRE BILL OF LADING TERMS AND CONDITIONS

Bill of Lading.

(a) At the time of shipment, the CARRIER shall issue a Bill of Lading (or Receipt) which may be prepared by the SHIPPER or Consignor, which shall be considered to be an addendum to this contract and in all events this Contract shall govern. The Bill of Lading shall serve as a receipt for the goods (and not as the contract for carriage nor as evidence of title) and shall contain the following information:

- . Names of Consignor and Consignee
- . Origin and destination points
- . Number of pieces
- . Description of freight
- . Weight
- . The name of the party responsible for payment for the transportation of shipment
- . A statement or other indication as to whether the freight charges are "prepaid" or "collect"
- . Any additional information required by law
- . Any additional information or instruction furnished by SHIPPER relevant to the particular shipment

No other provision of a Bill of Lading's terms and conditions shall apply, (including, but not limited to, any provision purporting to "incorporate by reference" provisions of other publications such as the CARRIER'S private tariffs, the National Motor Freight Classification, or the Uniform Straight Bill of Lading) and all transactions between SHIPPER and CARRIER shall be governed solely by this Contract, PROVIDED HOWEVER that the Bill of Lading may also contain instructions or specifications pertaining to the transportation of the goods covered by the Bill of Lading and the CARRIER's issuance of the Bill of Lading shall constitute agreement to follow or perform said instructions or specification.

(b) Any Bill of Lading or other shipping document used shall be deemed to contain the following language: "The property described herein is received in apparent good order except as noted by CARRIER at the time of pickup. It is mutually agreed that this shipment is received, subject to the Motor Carrier CONTRACT entered into between SHIPPER and the CARRIER to which this Bill of Lading shall be considered to be an addendum.

(c) When the Bill of Lading specifies payment by a Third Party (other than a third party freight payment service), only said Third Party shall be liable for freight charges and SHIPPER shall be held harmless from any freight charges.

(d) All bills of lading shall be deemed "through bills of lading" to ultimate destination and CARRIER shall be liable to SHIPPER for loss, damage or delay in accordance with the terms of this Contract regardless of any separate agreements entered into by CARRIER with connecting carriers, subcontractors, cartage agents, or other third parties.

(e) Delivery Receipt; CARRIER shall obtain an acknowledgement of delivery for all shipments by notation on the Bill of Lading or a delivery receipt, signed and dated by the consignee. At the request of SHIPPER, CARRIER agrees to provide copies at no charge of same to SHIPPER in sufficient detail to substantiate billing for their services provided.

HANKOOK TIRE BILL OF LADING TERMS AND CONDITIONS

Bill of Lading.

(a) At the time of shipment, the CARRIER shall issue a Bill of Lading (or Receipt) which may be prepared by the SHIPPER or Consignor, which shall be considered to be an addendum to this contract and in all events this Contract shall govern. The Bill of Lading shall serve as a receipt for the goods (and not as the contract for carriage nor as evidence of title) and shall contain the following information:

- . Names of Consignor and Consignee
- . Origin and destination points
- . Number of pieces
- . Description of freight
- . Weight
- . The name of the party responsible for payment for the transportation of shipment
- . A statement or other indication as to whether the freight charges are "prepaid" or "collect"
- . Any additional information required by law
- . Any additional information or instruction furnished by SHIPPER relevant to the particular shipment

No other provision of a Bill of Lading's terms and conditions shall apply, (including, but not limited to, any provision purporting to "incorporate by reference" provisions of other publications such as the CARRIER'S private tariffs, the National Motor Freight Classification, or the Uniform Straight Bill of Lading) and all transactions between SHIPPER and CARRIER shall be governed solely by this Contract, PROVIDED HOWEVER that the Bill of Lading may also contain instructions or specifications pertaining to the transportation of the goods covered by the Bill of Lading and the CARRIER's issuance of the Bill of Lading shall constitute agreement to follow or perform said instructions or specification.

(b) Any Bill of Lading or other shipping document used shall be deemed to contain the following language: "The property described herein is received in apparent good order except as noted by CARRIER at the time of pickup. It is mutually agreed that this shipment is received, subject to the Motor Carrier CONTRACT entered into between SHIPPER and the CARRIER to which this Bill of Lading shall be considered to be an addendum.

(c) When the Bill of Lading specifies payment by a Third Party (other than a third party freight payment service), only said Third Party shall be liable for freight charges and SHIPPER shall be held harmless from any freight charges.

(d) All bills of lading shall be deemed "through bills of lading" to ultimate destination and CARRIER shall be liable to SHIPPER for loss, damage or delay in accordance with the terms of this Contract regardless of any separate agreements entered into by CARRIER with connecting carriers, subcontractors, cartage agents, or other third parties.

(e) Delivery Receipt; CARRIER shall obtain an acknowledgement of delivery for all shipments by notation on the Bill of Lading or a delivery receipt, signed and dated by the consignee. At the request of SHIPPER, CARRIER agrees to provide copies at no charge of same to SHIPPER in sufficient detail to substantiate billing for their services provided.
